Treatment for infertility Y / N		Genital tract damage from previous foalings Y/N		Does mare cycle irregularly? Y/N	
If yes to any of the above please give details:					
<p>Delarochestud make every effort to have teaser mares available for collecting semen when requested but cannot be held responsible for delays or non-availability of semen due to unforeseen circumstances. Every effort is made to ensure the client receives the highest quality semen but no responsibility for damage or condition of semen or container can be accepted by the stud once it has left the stud or whilst in transit.</p>					
<p>Please give the stud as much notice as possible regarding semen requirement: No later than 1pm the day prior to insemination. The stud ordinarily ships via Royal Mail (Special delivery: Guaranteed 9am Next Day). N.B. Deliveries on Sundays or Mondays are not possible via this method. Alternative delivery arrangements can be made for these days but the costs incurred will be fully charged to the mare owner.</p>					
<p>Semen shippers/equitainers remain the property of the stud and the mare owner agrees to return them to the stud immediately, in their entirety & via a suitable method. Rent or replacement costs will be charged for shippers/equitainers not received back within a reasonable time or in a suitable condition.</p>					
Name of Mare Owner/Agent:			Contact Telephone Numbers:		
Address:			Address for Semen delivery: (if different from owners address)		
I have read and agree to the Terms and Conditions offered by Delarochestud in relation to artificial insemination.
